Hi,  
Attached please find the spreadsheet with added columns.  
Thanks,  
Lauren

Can you complete columns in yellow and get to Linda and Grace. Thanks

I was going to ask Cecilia to help me complete this this morning but she wasn't here. Can someone from HR complete the race and dob columns? Sue Stein needs the info for the response to CP. Can you have someone send this back to Linda once complete? I have some other stuff to get to Sue and am planning on dumping on Linda before I go on vacation.

Did your mom get settled?
